

# BUTT FUSION - LINERS

Butt Fusion liners are designed to maximise the size range of the machine. Liners are available either in a tough engineering plastic or cast aluminium.

Size	Product Code	Material	Machine Diameter *
<b>500X450</b>	BFL500450X50	Aluminium	500
<b>500X400</b>	BFL500400X50	Aluminium	500
<b>400X355</b>	BFL400355X50	Aluminium	500
<b>400X315</b>	BFL400315X50	Aluminium	500
<b>400X355</b>	BFL400355	Aluminium	400
<b>400X315</b>	BFL400315	Aluminium	400
<b>400X250</b>	BFL400250	Aluminium	400
<b>315X280</b>	BFL315280	Aluminium	400, 315
<b>315X250</b>	BFL315250	Aluminium	400, 315
<b>315X200</b>	BFL315200	Aluminium	400, 315
<b>250X225</b>	BFL250225	Aluminium	400, 315, 250
<b>250X200</b>	BFL250200	Aluminium	400, 315, 250
<b>250X180</b>	BFL250180	Aluminium	400, 315, 250
<b>250X160</b>	BFL250160	Aluminium	400, 315, 250
<b>180X160</b>	BFL180160PT	Engineering Plastic	400, 315, 250
<b>180X160</b>	BFL180160	Aluminium	400, 315, 250
<b>180X140</b>	BFL180140PT	Engineering Plastic	315, 250
<b>180X140</b>	BFL180140	Aluminium	315, 250
<b>180X125</b>	BFL180125PT	Engineering Plastic	315,250
<b>180X125</b>	BFL180125	Aluminium	315, 250
<b>180X110</b>	BFL180110PT	Engineering Plastic	315, 250
<b>180X110</b>	BFL180110	Aluminium	315, 250
<b>180X90</b>	BFL18090PT	Engineering Plastic	315, 250
<b>180X90</b>	BFL18090	Aluminium	315, 250
<b>180X75</b>	BFL18075PT	Engineering Plastic	250
<b>180X75</b>	BFL18075	Aluminium	250
<b>180X63</b>	BFL18063PT	Engineering Plastic	250
<b>180X63</b>	BFL18063	Aluminium	250

\* Liners are designed to fit both Gator and Welda machines

Where 180mm engineering plastic liners are ordered as spares for existing machines the purchaser should check to ensure that the 250 x 180 aluminium liner (into which the 180 liner is to fit) has got a recess machined into it (see picture).
